OK here it is, finally a way to take off ALL your makeup and save your skin. With these instructions, you can be 100% in control of what is in the product you use on your face.

- ✓ Soft cloth for everyday use
- ✓ Even the most acne prone or oily skin will not break out (non-comedogenic) or feel greasy
- ✓ Great for contact wearers
- ✓ No Excessive Drying
- ✓ No Tightness
- ✓ No left over makeup residue
- ✓ SAFE NATURAL INGREDIENTS
- ✓ NO ALCOHOL
- ✓ NO EXFOLIATING INGREDIENTS
- ✓ NO FORMALDEHYDE RELEASING AGENTS

PURCHASE A PACK OF 80-100 UNSCENTED, SENSITIVE SKIN BABY WIPES. YOU CAN GET THEM IN BULK TO HAVE MANY WIPES ON HAND FOR MONTHS. YOU CAN BUY COMMERCIAL ONES OR ORGANIC WHATEVER FLOATS YOUR BOAT.

IN A LARGE BOWL OR POT COMBINE:

- 3 cups of **lukewarm water**
- 1 cup of **cucumber witch hazel**
- 1 cup of liquid **glycerine (\$), or sunflowerseed oil (\$\$), or hemp seed oil (\$\$\$)**
- 3 tablespoons of **baby mild castile soap**

BLEND ALL INGREDIENTS WELL WITH A FORK OR SPOON OR WHISK. MAKE SURE ALL INGREDIENTS ARE BLENDED WELL, LIQUID SHOULD LOOK VERY CLOUDY.

TAKE A HANDFUL OF THE BABY WIPES AND SOAK. THEY SHOULD BE SATURATED BUT NOT RUNNY. THE MIXTURE ABOVE SHOULD PRODUCE 60 OR MORE WIPES (depending on wipe brand).

STORE IN A DRY AREA.

ANY LEFT OVER LIQUID CAN BE STORED IN A MASON JAR FOR LATER USE OR USE A LIQUID MAKEUP REMOVER WITH INDIVIDUAL COTTON PADS.

ON THE GO TIPS

TAKE A FEW WIPES TO GO WITH YOU WHEN YOU ARE TRAVELING OR NEED A QUICK CLEANUP OR CORRECTION MIDDAY.

PUT THE EXTRA LIQUID IN A TRAVEL BOTTLE AND USE AS LIQUID MAKEUP REMOVER ON A PIECE OF COTTON OR WHATEVER IS ON HAND ON THE GO.
